PACKAGE 1 - EXISTING ONSITE LED WALL SYSTEM

\$20,000

RETAIL EQUIPMENT VALUE

Package 1 represents the existing onsite LED wall system currently serving the sanctuary environment. The stated value reflects the equipment contribution only and excludes any historical rental or usage charge.

SUGGESTED ARRANGEMENTS

Center-stage backdrop

Lyrics and scripture

Sermon visuals

Announcements loop

Recommended use: weekly service presentation, including worship lyrics, sermon graphics, announcements, and a consistent visual backdrop for livestreamed services.

PACKAGE 2 - EXPANDED LED WALL, RIGGING AND LIGHTING

\$66,000

RETAIL PACKAGE VALUE

Package 2 expands the sanctuary's visual capabilities with a larger modular LED system, stage lighting, rigging hardware, truss, cabling/data infrastructure, and video processing.

SANCTUARY PRESENTATION

Create a wider main wall, split side display layout, or scenic digital backdrop for worship services, special services, conferences, and youth events.

LIGHTING ENHANCEMENT

Add warm, camera-friendly lighting looks that improve the room's presence in person and on livestream.

WHY IT MATTERS

- Strengthens visual focus for worship, preaching, and announcements.
- Improves quality and consistency of livestreamed and recorded service content.
- Creates a marketable presentation upgrade for outside rentals and special events.

HOW THE CHURCH CAN USE THE CONTRIBUTION

WEEKLY WORSHIP

Enhance weekly services with lyrics, scripture, sermon visuals, announcements, themed graphics, guest speakers, and seasonal services.

ONLINE PRESENTATION

Improve livestream and recorded content with a cleaner stage picture and more consistent visual presentation.

RENTAL UPGRADES

Position the sanctuary as an event-ready room with optional premium presentation capabilities for concerts, conferences, celebrations, and recorded programs.

OPERATIONAL SIMPLICITY

Present the contribution in a clear package structure so decision-makers can review the value without unnecessary equipment complexity.

POTENTIAL RENTAL UPGRADE LANGUAGE

Enhanced Sanctuary Visuals

LED wall presentation for worship nights, conferences, and guest speakers.

Premium Event Presentation

Expanded LED layout and stage lighting for concerts, banquets, and filmed programs.

Camera-Friendly Service Package

LED and lighting setup designed to improve livestream and recorded content.

FINAL AGREEMENT ITEMS TO DOCUMENT SEPARATELY

- Approved rent credit amount and effective date.
- Ownership, access, storage, maintenance, and insurance responsibilities.
- Any separately scheduled operating labor for weekly services or outside events.
- Condition, acceptance, and post-install repair responsibilities.

REVIEW PURPOSE

Prepared for review and agreement purposes. Final rent-credit terms and responsibilities should be documented separately.
