STAGE FACELIFT - LIGHTING UPGRADE - COORDINATION - INSTALLATION OVERSIGHT

Project Notes

- 1. Scope.** Includes the stage facelift and lighting upgrade scope listed in this proposal, based on the current vendor pricing provided to Jordan Productions.
- 2. Schedule.** Installation schedule will be confirmed after client approval, material availability, and school access are aligned.
- 3. Substitutions.** Equipment, materials, or installation methods may be substituted with equal or better alternatives based on availability and site conditions. If a substitution increases cost, the client will be notified and billed accordingly.
- 4. Additional Scope.** Additional materials, equipment, repairs, or work outside the listed items and approved scope will require a separate invoice or written change order before proceeding.
- 5. Exclusions.** Licensed electrical work, permits, lift or scaffolding rental, structural engineering, district approvals, and out-of-scope repairs are not included unless separately approved.
- 6. Payment Terms.** A 50% deposit is due upon approval to begin scheduling and procurement. 40% is due before installation begins. The remaining 10% is due upon substantial completion.
- 7. Acceptance.** Approval authorizes Jordan Productions to coordinate scheduling, procurement, and project administration according to the agreed project timeline.
