STAGE FACELIFT - LIGHTING PACKAGE - COORDINATION - INSTALLATION OVERSIGHT

Project Notes

1. **Scope.** Includes the stage facelift and lighting package scope listed in this proposal. Final lighting fixture mix, placement, and material selection will be coordinated as the field scope is finalized.
2. **Schedule.** Installation schedule will be confirmed after client approval, material availability, and school access are aligned.
3. **Substitutions.** Equipment, materials, or installation methods may be substituted with equal or better alternatives based on availability and site conditions. If a substitution increases cost, the client will be notified and billed accordingly.
4. **Additional Scope.** Additional materials, equipment, repairs, or work outside the listed items and approved scope will require a separate invoice or written change order before proceeding.
5. **Exclusions.** Licensed electrical work, permits, lift or scaffolding rental, structural engineering, district approvals, and out-of-scope repairs are not included unless separately approved.
6. **Payment Terms.** A 50% deposit is due upon approval to begin scheduling and procurement. 40% is due before installation begins. The remaining 10% is due upon substantial completion.
7. **Acceptance.** Approval authorizes Jordan Productions to coordinate scheduling, procurement, and project administration according to the agreed project timeline.
