Pricing is based on the current vendor scope and includes Jordan Productions project coordination, administration, and quality review.

Consolidated Project Investment

\$30,875.00

STAGE FACELIFT - LIGHTING UPGRADE - COORDINATION - INSTALLATION OVERSIGHT

Project Notes

- 1. Scope.** Includes the stage facelift and lighting upgrade scope listed in this proposal, based on the current vendor pricing provided to Jordan Productions.
- 2. Subcontracted Work.** Portions of the work may be performed by a qualified vendor or subcontracted installation partner coordinated through Jordan Productions.
- 3. Schedule.** Installation schedule will be confirmed after client approval, vendor availability, material availability, and school access are aligned.
- 4. Substitutions.** Equipment, materials, or installation methods may be substituted with equal or better alternatives based on availability and site conditions. If a substitution increases cost, the client will be notified and billed accordingly.
- 5. Exclusions.** Licensed electrical work, permits, lift or scaffolding rental, structural engineering, district approvals, and out-of-scope repairs are not included unless separately approved.
- 6. Acceptance.** Approval authorizes Jordan Productions to coordinate vendor scheduling, procurement, and project administration according to the agreed project timeline.
